

1 I think it goes to the very heart of all that
2 we have been trying to do. I do hope this amendment
3 will be defeated.

4 THE CHAIRMAN: Any other delegate desire to speak
5 in favor of the amendment?

6 Delegate Marion.

7 DELEGATE MARION: Mr. Chairman, I certainly
8 hope we adopt this amendment. Every citizen of this
9 state in electing its executive officer has an opportuni-
10 ty to go into a voting booth and cast his vote in secret.

11 By action of this committee of the Whole earlier
12 today we approved a provision by which the President of
13 the Senate may well become the governor of this state and
14 it seems to me that the duly elected representatives of
15 the state elected by secret ballot of all the citizens
16 of this state should have an opportunity to vote in secret
17 for the person who may very well become the governor of
18 this state.

19 I urge its adoption.

20 THE CHAIRMAN: Delegate Beatrice Miller, do
21 you desire to speak in opposition or in favor?
